## Founder's Message

Dr. (Mrs.) S.D. Malik

It is both an honor and a pleasure to extend a cordial invitation to you as the Chairperson of LPS, a beacon of academic excellence. As we stand on the precipice of a new academic session, we invite you to immerse yourselves in an educational experience that transcends boundaries and champions intellectual prowess.

Our distinguished faculty, comprised of seasoned educators and scholars, is dedicated to fostering a culture of intellectual curiosity and scholarly achievement. The pedagogical landscape at LPS is characterized by innovative teaching methodologies and cutting-edge curriculum design. Our school is not merely

a crucible for academic achievement; it is a vibrant canvas where creativity, leadership, and personal growth are celebrated. We provide a spectrum of extracurricular activities and sports programs that serve as avenues for self-discovery and the development of a well-rounded personality. At LPS, we believe in fostering talents beyond textbooks. Our state-of-the-art facilities extend beyond classrooms to encompass sports fields, art studios, music rooms, and more. We view each student as a multifaceted individual with unique strengths, and our non-academic programs are tailored to provide opportunities for them to shine in various domains. Moreover, character development is woven into the fabric of our educational philosophy. We instill values such as empathy, integrity, and resilience. Join us at LPS, where the pursuit of excellence extends beyond academics to encompass a rich tapestry of experiences. We look forward to welcoming you to our dynamic LPS community, where every talent is recognized, celebrated, and nurtured.

## *Roles of Human Right*

In the tapestry of justice, human rights weave,  
A melody of freedom, where all hearts believe  
Dignity's anthem, echoing loud and clear,  
A universal chorus, erasing every fear.  
Equality's guardian, in every stride,  
Guiding humanity with justice as its guide.  
In the dance of compassion, rights take lead,  
A harmonious world, where all souls succeed.

Siya Malhotra [IX-D]

## *Guardians of Dignity*

Human rights activists are like superheroes safeguarding our fundamental liberties. They perform an important role in ensuring that everyone is treated equally and with decency. Consider a world where everyone is treated equally, regardless of where they come from or who they are. Human rights activists fight tirelessly to make this ideal a reality. They speak up against prejudice, injustice, and inequity. Sometimes people are unable to stand out for themselves. They discuss what is wrong and advocate for individuals who may be overlooked. It's similar to becoming a champion for those in need.

Aarav Atri(IX-D)

## *Peace And Conflict*

When troubles brew, and tempers rise,  
Methods of peace can make us wise.

Talk it out, negotiate fair,  
Find a solution, both can share.

Listen well, let ears be keen,  
Understanding, calmness in between  
Forgive and forget, let go of strife,  
Healing hearts, embracing life.

In conflicts, friends, let kindness be,  
A peaceful world for you and me

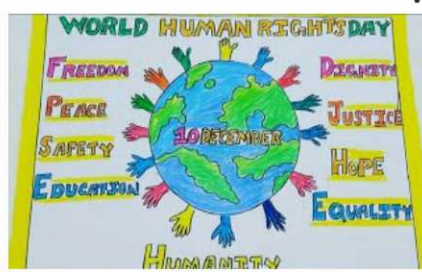

Avishi Khandelwal(X-D)

## *Solidarity Workers: The Unsung Heroes*

Human rights defenders are the unsung heroes dedicated to promoting and protecting basic freedoms. Fearless individuals, they champion justice, equality, and dignity for all. Often working in challenging environments, these advocates strive to expose injustices, challenge oppressive systems, and amplify the voices of the marginalized. Their efforts transcend borders, fighting against discrimination, censorship, and violence. Despite facing risks, these defenders persist, driven by a shared belief in the inherent worth of every person. As we recognize their crucial role, it's essential to support and safeguard these champions of human rights, acknowledging their indispensable contribution to a just and equitable world.

## EMPOWERING TOMORROW: The School's Crucial Role In Human Rights Education

In the corridors of knowledge, where young minds bloom  
A school's duty extends beyond walls, beyond room  
To nurture not just intellect but values so grand,  
In the realm of human rights, a school takes its stand,  
Through lessons that echo with equality's song,  
A curriculum designed where justice belongs,  
Each page a testament each word a decree,  
Inscribed with the essence of rights so free.  
Teachers, like guardians, sculptures of the soul,  
Ignite the flame of justice, make young hearts whole.

In classrooms, a heaven where empathy thrives,  
Where Understanding of rights perpetually derives.  
Beyond textbooks and theories, students engage,  
In projects and Dialogues, they script the page.  
A human rights club, a beacon of might,  
Guiding the journey towards goal 16 is light.  
Partnership formed with communities wide,  
Extend the reach, swell the justice tide.  
In the embrace of learning, a future takes flight,  
A school's role in justice, in peace in human rights.

## Why is Education And Awareness necessary in Human Society

(4<sup>TH</sup> Sustainable development goal-Quality Education)

The importance of education and awareness is immense in human society. It is only through these two factors that the possibilities of improvement and development in the society increase. Education is not only a means of acquiring knowledge for an individual, but it also increases the feeling of unity and goodwill in the society.

The Principle of 'Vasudevakutumbakam' must be inculcated in children right from childhood. Young children should be taught that all people belong to the same divine family and that we should harmonizing with each other. With these, children move towards prosperity in their thinking and intellectual development.

Only through education and awareness can children recognize the values of global unity. This creates in them a feeling of dedication and support towards the people around the world.

Through education, individuals learn innovative thinking skills and become ready to solve the problems. Thus, a society filled with education and awareness not only moves towards prosperity and strengthens the feeling of brotherhood and support among people around the world.

## CHILL OUT SAFELY IN WINTERS

**Layering is Key:** Dress in layers to trap heat and regulate body temperature effectively. Use thermal wear as a base layer'

**Quality Winter Gear:** Invest in high-quality winter gear, including insulated jackets, gloves, caps, etc. Proper attire ensures comfort and protection against the cold.

**Stay Dry:** Avoid prolonged exposure to wet conditions. Wet clothes can significantly reduce body temperature, leading to discomfort and potential health issues.

**Hydration Matters:** Stay hydrated, even in cold weather. Cold air can be dehydrating, and maintaining good hydration levels helps regulate body temperature and supports overall well-being.

**Mindful Exercise:** Incorporate gentle exercises like yoga or indoor workouts. Physical activity boosts circulation and generates warmth, contributing to a sense of well-being.

**Socialize Safely:** Connect with friends and loved ones either in person or virtually. Socializing can lift spirits and provide a sense of warmth and camaraderie during the colder season.

**Mind the Sun:** Make the most of sunny winter days by spending some time outdoors. Natural sunlight is beneficial for mood and vitamin D production, even in colder temperatures.

Chilling out safely in winter involves a combination of thoughtful clothing choices, indoor comforts, and mindful practices to create a cozy and enjoyable experience while staying healthy and warm.

## Spirituality Is The Light , That Disperses The Darkness

Spirituality is a way to connect with the divine through inner sense of peace. Many of us consider that being religious is being spiritual but spirituality is beyond the religious boundaries, where we deeply know ourselves and motives of life. In other words, Spirituality is a journey towards being enlightened and self - realisation. India has been known as "Vishwa Guru" for a long time for its rich spiritual culture , which encompasses the lessons of epics such as Vedas, Upanishads, Ramayan, Bhagwat Gita and teachings of enlightened

Saints like Gautam Buddha. In today's tough time of increasing wars, nuclear powers, terrorism, religious riots etc., the spiritual path becomes very important, being the only solution for saving the future of human kind, where we all need to know that maybe our traditions, culture and religions are different but as a spiritual being we all are human first and this sense of oneness will lead to peace and harmony. In simple words, Spirituality makes us identify that we all have one destination with several ways. It ingrains the morals behind - Vasudhaiv Kutumbkam and Ahinsa Parmo Dharmah in spirits.

**“Diversity is the one true thing we all have in common.... Celebrate it every day.”**  
(10th Sustainable develop goal-reduced inequalities)

Racial equality is a fundamental aspect for fostering a harmonious and inclusive school community. By promoting diversity and inclusion within our educational environment, we contribute to achieving Sustainable Development Goal 10: reduced inequalities. By actively working towards racial equality, we aim to eliminate discrimination and prejudice, ensuring that every individual within our school community is respected and valued. Our curriculum reflects diverse histories, literature, and art forms, promoting a well-rounded education. We organize events, workshops, and guest speaker sessions to enhance awareness and understanding of various cultures. To ensure racial equality, our school community actively seeks to create an atmosphere of respect and acceptance for all cultural backgrounds.

**“True Cybersecurity is preparing for what's next, not was last.”**

(9<sup>th</sup> sustainable development goal-Industry, Innovation, and infrastructure)

The first step of any cyber security outreach is awareness. Cybersecurity is the practice of defending computers and servers, mobile devices, electronic systems, networks, and data from malicious attacks.

## TYPES OF CYBER THREATS

The threats countered by cyber-security are three-fold:

1. Cyber-crime includes single actors or groups targeting systems for financial gain or to cause disruption.
2. Cyber-attack often involves politically motivated information gathering.
3. Cyber-terrorism is intended to undermine electronic systems to cause panic or fear.

## TIPS TO PROTECT CYBER ATTACKS

- **Update your software and operating system:** It will provide the latest security patches.
- **Use anti-virus software:** Security solutions like Kaspersky Total Security will detect and removes threats. Keep your software updated for the best level of protection.
- **Use strong passwords:** Ensure your passwords are not easily guessable.
- **Do not open email attachments from unknown senders:** These could be infected with malware.

## मानवाधिकारों को बढ़ावा देने में स्कूल की भूमिका

मानव अधिकार हमारे समाज का एक अनिवार्य हिस्सा हैं, और स्कूल उन्हें बढ़ावा देने में महत्वपूर्ण भूमिका निभाते हैं। स्कूल मानव अधिकारों को सीखने को अनुभव के केंद्र में रखकर और उन्हें रोजमर्रा के स्कूली जीवन का एक अभिन्न अंग बनाकर मानव अधिकारों के अनुकूल वातावरण बना सकते हैं। स्कूलों में निर्णय लेने के तरीके से लेकर जिस तरह से लोग एक-दूसरे के साथ व्यवहार करते हैं, पाठ्यक्रम और पाठ्येतर गतिविधियों तक, जिस परिवेश में छात्रों को पढ़ाया जाता है, स्कूल मानवाधिकार शिक्षा के लिए एक अनुकरणीय मॉडल बन जाता है।

मानव अधिकारों के अनुकूल स्कूल समानता, गरिमा, सम्मान, गैर-भेदभाव और भागीदारी के सिद्धांतों पर स्थापित किया जाता है। यह एक स्कूल समुदाय है जहां मानव अधिकारों को सीखा, सिखाया जाता है, अभ्यास किया जाता है, सम्मान, संरक्षित और बढ़ावा दिया जाता है। मानव अधिकारों के अनुकूल स्कूल समावेशी वातावरण हैं जहां सभी को स्थिति या भूमिका की परवाह किए बिना स्कूल जीवन में सक्रिय भाग लेने के लिए प्रोत्साहित किया जाता है, और जहां सांस्कृतिक विविधता मनाई जाती है।

अंत में, मानवाधिकारों को बढ़ावा देने में स्कूलों की महत्वपूर्ण भूमिका है। मानव अधिकारों के अनुकूल वातावरण बनाकर, स्कूल युवा लोगों को सशक्त बना सकते हैं और स्कूल जीवन के सभी क्षेत्रों में मानवाधिकार मूल्यों और सिद्धांतों को एकीकृत करने के लिए स्कूल समुदाय के सभी सदस्यों की सक्रिय भागीदारी को बढ़ावा दे सकते हैं।

## Saluting Solar Deity

LOCAL LOVE, GLOBAL IMPACT

The children of Lovely Public School saluted the solar deity by offering water on the occasion of Chhat Pooja. It is a special festival celebrated in honor of the sun god, expressing gratitude for the life-giving energy the sun provides. Giving water to the sun during Chhat Pooja holds great significance and is a beautiful way to connect with nature and show reverence.

## Beyond Heaven - Global Community

**"Vasudev Kutumbakam teaches that no one is stranger, but a potential friend".**

Vasudev Kutumbakam has been an integral part of Indian culture and philosophy for countless generations and in simpler terms, it teaches us to view the world as it is a one big family. It is a deeply rooted ancient concept that carries profound wisdom. It is translated from Sanskrit means **"The World is one family."** It encourages us to embrace a sense of belonging to a global community and to treat every living being with kindness, compassion and respect.

The true meaning of Vasudev Kutumbakam encapsulates the essence of universal brotherhood and the interconnectedness of all beings. This ancient philosophy highlights the idea that the entire world is one big family, where every individual is a member, regardless of their race, religion, nationality or ethnicity. The phrase represents the belief that all individuals are unique and it creates harmonious community.

### THE ENORMITY AMALGAMATION

In a world full of boundaries and lines,  
where differences often cause divides,  
comes a concept that truly shines,  
Vasudev Kutumbakam, where unity resides.  
Borders may separate is, it's true,  
But love and compassion can break through,  
Connecting hearts, no matter the distance,  
creating bonds that defy resistance.  
From east to west, and north to south,  
Across nations, cultures, and every mouth,  
Vasudev kutumbakam teaches us to embrace,  
The beauty of diversity, with grace.  
So let's strengthen these bonds, far and wide.  
And let love and understanding be our guide,  
For in the family of Vasudev kutumbakam,  
We find a world where unity has won.

### सर्दी के रंग

सर्दी लगी रंग जमाने  
दांत लगे किटकिटाने  
नई-नई स्वेटरों को  
लोग गए बाजार से लाने।  
बच्चे लगे कंपकंपाने  
ठंडी से खुद को बचाने  
दूढ़कर लकड़ी लाए  
बैठे सब आग जलाने।  
दिन लगा अब जल्दी जाने,  
रात लगी शाम को कोहरा छाए  
हाथ-पैर सब लगे ठंडाने।

सांसों लगीं धुआं उड़ाने  
धूप लगी अब सबको भाने  
गर्म-गर्म चाय को पीकर  
सभी लगे स्वयं को गरमाने

## Director's Desk

As we stand at the threshold of a new year, it is with great pleasure and profound pride that I address you, the pillars of our academic community. Your unwavering commitment to scholastic excellence has been nothing short of exemplary, setting a standard that reflects not only your individual brilliance but also the collective

Dr. Manoj Kumar

spirit of intellectual curiosity that pervades our institution. As we bid adieu to the bygone year, laden with achievements and milestones, let us collectively gaze into the horizon of the approaching year with anticipation and vigor. The canvas of opportunity unfurls before us, beckoning us to paint a tapestry of even greater accomplishments, to scale new heights in our pursuit of knowledge. The quest for academic excellence is not merely a journey, but a continuous odyssey—one where challenges metamorphose into stepping stones and each triumph fuels the flame of our collective ambition. Academic excellence, after all, is not a destination but an ongoing voyage—one that we navigate together, as a community bound by the love of learning. Here's to a year where each lecture is a revelation, each assignment a conquest, and each examination a triumph.

May the pursuit of excellence be the guiding star that lights our path through the corridors of wisdom.
